PLAYBOY'S BOOK OF LINGERIE

You can put down your #2 pencils and stop licking those stamps now. Here's BOL Supermodel issue number four—your pick of the top NSS models for 1998. And thanks to your votes and keen discerning eye for feminine form and beauty, this year's top-20 roster somehow tops those of prior years. Now before I'm lynched by past winners, let me explain. While the first three years showcased wonderful and deserving young ladies, the voting this go-round seems to be especially well balanced with equal numbers of seasoned favorites and fresh new faces. Superstars Lisa Boyle, Patricia Ford, Petra Verkaik and our reigning Model of the Year, Alley Baggett, all make the lineup for the fourth straight time. Morena Corwin and Sung Hi Lee get the nod three years in a row, and we're happy to see Rachel Jean Marteen and Elisa Bridges return after making the cut in earlier years. Other repeat winners are Karin Taylor, Anna Rose Chang, Angel Boris and Katie Price. Now let's talk about

Our Supermodel cover girls put the big squeeze on our grand prize contest winner.

the rookie team of eight. Wow! This is one fabulous group that's moved to the head of the class in record time. New NSS models Christi Taylor, Kat Oberle, Tess Eggen, Joy Behrman and Brooke Richards went from zero to thousands of fans faster than you can say "awesome," while Playmates Lisa Marie Scott, Victoria Zdrok and Alesha Oreskovich have increased their army of diehard fans with sizzling appearances on our pages. Now that you've helped choose the top 20 it's time to cut the field to one—the 1999 Readers' Choice Model of the Year. As before, only one vote per reader. But this year you can vote by mail with a letter or postcard sent to Playboy Newsstand Specials, BOL Model of the Year, 680 N. Lake Shore Drive, Chicago, IL 60611, or via the Internet at <http://www.playboy.com>—then follow the directions in the Newsstand Specials section.

Either way you must be at least 18 years old and include your name and mailing address for the vote to count. Voting deadline is March 1. We'll randomly pick 25 voters to receive an autographed copy of the July/August 1999 BOL Model of the Year issue. Oh, about the guy sandwiched between our cover models in the photo above: That's Josh Neveln, the lucky winner of the Readers' Choice grand prize. We picked Josh from the 3000-plus readers who sent in ballots. Rumor has it that his smile is permanent.

Tess Eggen

"In what order would I give up sex, fame and money? Fame is easy; that would go first. And I guess I'd give up sex next. Let's face it, if you had money you could always get as much sex as you want!"

A full-page photograph of Lisa Marie Scott. She is posing in a yellow lace bodysuit with ruffled trim and matching thigh-high stockings. She has long, wavy brown hair and is looking over her shoulder at the camera. Her left arm is raised, resting on a white vertical structure, possibly a window frame or door. The background is a bright, out-of-focus outdoor setting.

Lisa Marie Scott

"Are men intimidated by me?
Actually I'm rather shy and
down-to-earth, so I don't
think I intimidate anyone.
Also, I'm very petite and sel-
dom wear makeup, so guys
don't recognize me or associ-
ate me with PLAYBOY."

Victoria Zdrock

"I don't need a fancy restaurant or moonlit walk by the ocean for a romantic evening. I'm happy in bed watching a sentimental movie, eating a fat-free chocolate ice cream with strawberries and making love all night."

Angel Boris

"I'm a very opened-minded person. If I had a daughter and she ever wanted to pose for PLAYBOY I'd have no problems with it at all. Why should I, since I've been a Playmate myself?"

Katie Price

"I know I'm in love when eating, breathing and sleeping don't really matter—in fact, they're almost impossible—unless you're with that certain person who took your breath away in the first place."

Brooke Richards

"Appearing in the NSS and getting such great support from the readers has really helped me believe in myself and in a dream I've had since I was a little girl."

Joy Behrman

"After my *Wet & Wild* cover was published I walked into class one day and my teacher pulled out the issue and asked if it was really me. I was both flattered and embarrassed. Needless to say I got an "A" in that class!"

Rachel Jeán Marteen

"Being so involved in fitness, I really appreciate a man with a great body—not just for the physical results, but for the hard work it represents. It says something about his determination and commitment."

Morena Corwin

"I wasn't what you'd call a femme fatale growing up. Boys didn't like me at all and I'd beat them up when they teased me. Things sure have changed. These days I have to fight guys off."

Alesha Oreskovich

"I look for personality in a man over looks, but will great eyes, a good smile and a strong, square jaw get my attention? Yep, in a heartbeat."

Christi Taylor

"I'm so flattered, pleased and overwhelmed by the readers' decision to select me as one of their favorite models. It's given me such confidence about who I am and what I look like."

A photograph of a wooden structure, possibly a fence or a frame, made of rough, weathered wooden poles. A red leg, possibly a mannequin or a person's leg, is visible on the right side, extending from the bottom towards the center. A red cloth or fabric is draped over one of the wooden poles on the left side. The background is blurred, showing more of the wooden structure and some green foliage.

Petra Verkaik

"It's a shame that we always have to cover up our bodies. But, it would also be a shame if we didn't have the erotic thrill of seeing someone we were really attracted to undress for the first time."

Sung Hi Lee

"I'm so flattered when fans approach me. It can sometimes be a little embarrassing, but for the most part people who come up to me are so friendly that I usually feel like I know them and feel very comfortable around them."

Anna Rose Chang

"I feel so honored to be chosen a Readers' Choice model. Modeling is my art, passion and love. Posing for PLAYBOY gives me a medium by which to touch hearts throughout the world."

Karin Taylor

"Women confuse men by playing games, not knowing how to ask for what they want and being afraid to be honest with their men."

Patricia Ford

"I'm a funny, shy, very loving woman who loves to be in love. But no one should mistake me for being a pushover or weak. I'm also a strong, tough businesswoman who goes after what she wants."

Elisa Bridges

"People who know me would probably say I'm peaceful, quiet and funny. What they don't know is that I sometimes obsess over tiny details, and then I'm not peaceful, quiet *or* funny!"

Kat Oberle

"A lot of men are intimidated by a good-looking woman, but they should realize that we're just normal people. Being attractive doesn't necessarily mean we're arrogant."

Lisa Boyle

"It sounds funny coming from a PLAYBOY model, but I really wish I took more chances in life. There's a shyness, a reticence about me that I've never been able to completely shake."

Alley Baggett

"I know I'm in love when my guy becomes my best friend, when we can hang out with each others' best friends and when we look at each other and get that butterfly feeling inside."

theBAREfacts

TESS EGGEN Joining the Readers' Choice ranks for the first time, this Norwegian has earned a degree in marine biology in large part because of her concerns for the environment. She likes to "have fun and be silly with some Viking spirit and style," but in an "idyllic setting—really clean air and water, no chemicals anywhere." *Gen Nishino*, 4, 5, 6, 7, 8, 9.

LISA MARIE SCOTT She finds herself attracted to the scholarly type of guy, but admits that good looks can be helpful to initially catch her eye. The biggest mistake men make on dates? Trying too hard to impress her "to the point of not being themselves." Her biggest mistake on a date? "Cooking for him. Let's just say it's not one of my strong suits." *Phil Shockley*, 10, 11, 12, 13.

VICTORIA ZDROK A psychologist-in-training, Victoria tells of one patient who made significant progress. "She came up to me and said, 'You know, you were the first therapist who I was able to open up to—maybe because before I met you I'd seen you naked.' So you see, Playboy has therapeutic value, too!" Victoria's new Web site, VictoriasSecretDesires.com, promises a prize for whoever guesses the secret of the month. "Get your pencils ready!" *Gen Nishino*, 14-15, 16, 17.

ANGEL BORIS Like many of her NSS sisters, Miss July '96 points to Madonna as her professional role model. "She can do it all—sing, dance, act—and she takes chances, constantly reinventing herself. An amazing woman." Tackling one discipline at a time, Angel will display her acting talent in two upcoming films, *Warlock II: End of Innocence* and *Interceptors*. Vital stats: 5'4", 115 lbs., 32-24-34. *Mizuno*, 18, 19, 20, 21.

KATIE PRICE It only took four NSS appearances in '97 for this former London *Sun* Page 3 girl to make last year's top 20, and after six more in '98 she's back for an encore Readers' Choice anointment. *Byron Newman*, 22, 23.

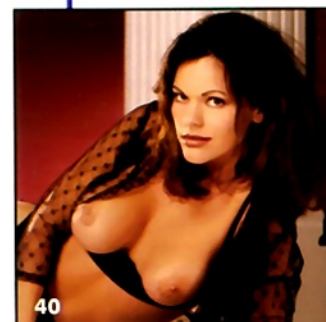

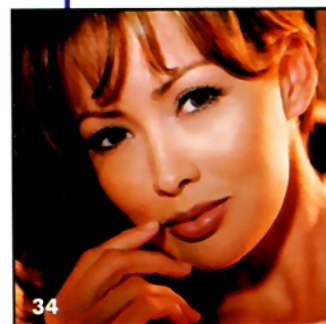

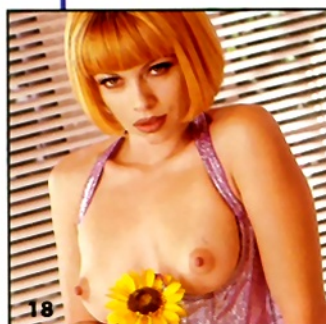

BROOKE RICHARDS Hers is a Cinderella story—without the wicked stepmother. After months of nervous indecision, Brooke finally gathered the courage to send in pictures to us. "I'd been dying to know if I had what it took to be in a Playboy publication." The glass slipper fit and Brooke debuted in *Sexy Girls Next Door*. Six NSS later, she became one of the belles of the ball and a contender to win the crown. *David Rams*, 24-25, 26, 27; *Troy Plota*, 28, 29.

JOY BEHRMAN Her rise to NSS superstardom has been nothing short of spectacular. A debut in *Sexy Girls Next Door* precipitated an avalanche of mail. Seven more appearances in 1998—including two covers (*Nudes* and *Wet & Wild*)—increased her following and sealed her selection to the top 20. "Now if I could just become a Playmate. I would love that more than anything—anything!" Vital stats: 5'7", 110 lbs., 34-24-34. *David Naughton*, 30-31, 32, 33.

RACHEL JEAN MARTEEN The depth of a man's eyes is what first attracts her, his chemistry and karma are what keep her attention. She thinks men make a mistake in coming on too strong, too fast. "Never touch or kiss a woman on a first date. How on earth could you establish any emotional feelings for a complete stranger in a few hours? Take it slow, see what develops." Vital stats: 5'8", 125 lbs., 34-24-35. *Gen Nishino*, 34, 35, 36, 37.

MORENA CORWIN "Being chosen a Playmate is incredible," Miss September '92 told us. "You feel so excited and lucky. Making it to the Readers' Choice finals makes you realize it wasn't a fluke! Knowing that people still like you gives your ego a booster shot." *Louise Freeman*, 38, 39.

ALESHA ORESKOVICH We asked Miss June '93 what confuses her about men. "Their obsession with sports." And what confuses men about women? "Our obsession with shopping." Is there any hope for mutual understanding? "Oh sure. Men and women share more similarities than differences. They'll always overcome the obstacles to be together." Vital stats: 5'8", 125, 36-25-35. *David Rams*, 40-41, 42, 43; *Cynthia Kaye*, 44, 45.

CHRISTI TAYLOR The news of her Readers' Choice selection was, she says, "a little overwhelming. I'm so flattered and pleased." She admits that men are sometimes intimidated by her looks and model status, but suggests they try to relax and "please, don't babble nervously about yourselves or flex your muscles while you're talking to me." *David Rams*, 46, 47, 48, 49.

PETRA VERKAIK "My friends have started calling me a computer geek because I spend so much time online. And it's true! I love rolling out of bed to answer my e-mail or to chat online while drinking my coffee. My new official Web site, petracentral.com, is 100 percent mine and I love finding ways to make it more fun and sexy. Come visit!" *Phil Shockley*, 50-51, 52, 53, 54, 55.

SUNG HI LEE This year's voters gave Sung Hi a Readers' Choice hat trick, her third consecutive placement in the top 20. Her acting career got a boost in 1998 from guest starring-gigs in TV's *Mortal Kombat* and *Black Scorpion* and in 1999 she'll be seen on the big screen in *Making Contact* and *That Summer in L.A.* *Mizuno*, 56, 57.

ANNA ROSE CHANG We asked what she was like as a kid and she looked at us like we were nuts. "I still *am* a kid! I approach everything with enthusiasm and keep a light approach to life. That's what keeps things new and lets me laugh at myself." *Mizuno*, 58-59; *Steven Lippman*, 60, 61.

KARIN TAYLOR Despite her daunting good looks, she says men don't seem to have trouble talking to her. "I'm a pretty approachable gal." Her Monicagate advice for Bill. "Resign." For Hillary: "Divorce." For Chelsea: "This too shall pass." For Monica: "Take the money, then shut up." For Al Gore: "Step up to the plate." For Kenneth Starr: "Bow out gracefully when your 15 minutes of fame is up." *Andrew Goldman*, 62, 63, 64, 65.

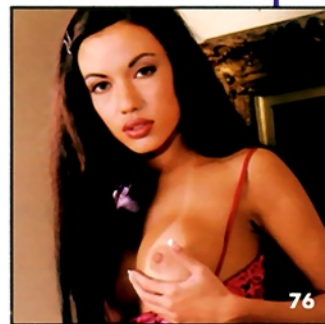

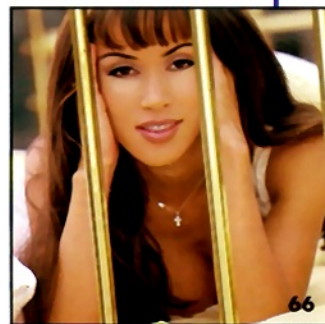

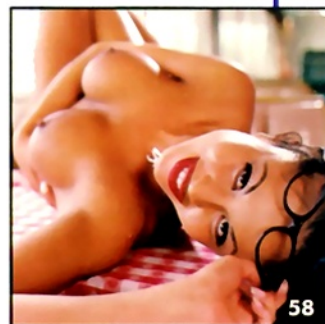

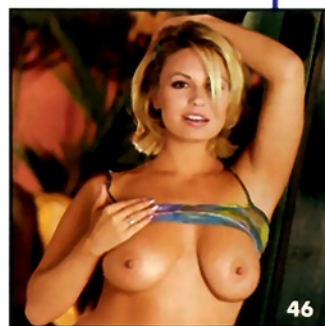

PATRICIA FORD A Readers' Choice issue just wouldn't be the same without her. Marking her fourth top 20 appearance in four years (she won the first Model of the Year honor in 1996), Patricia is as awed and thrilled this time as she was the first. "The effect on my career and my personal life has been fantastic. Being voted a top BOL model validates the decisions and choices I've made and makes me determined to do even better. I can't thank the readers enough for their continued support." *Phil Shockley*, 66-67, 68, 69, 70-71.

ELISA BRIDGES Happy and full of mischief and laughter as a kid, Miss December '94 says her fondest childhood memories are of modeling figures from the clay in the creekbed behind her house. It looks like the fondest memories of many readers are of Elisa modeling *her* figure for NSS because she's back for the second time as one of our top 20 vote getters. *Mizuno*, 72, 73, 74, 75.

KAT OBERLE "This is only my first year working for NSS, so I'm incredibly honored to be selected for this issue. I never thought I'd attract this much attention so quickly. Thanks, guys!" Speaking of guys, how does she know she's in love with one? "When you look at someone and can say with all honesty that you would do anything in your power for him." Vital stats: 5'5", 105 lbs., 34-21-35. *David Rams*, 76, 77, 78, 79, 80-81.

LISA BOYLE Recent showbiz credits include a role in *The Last Marshal*, a guest appearance on *Baywatch* and parts in two new music videos, Aerosmith's *Love Is Hard on Your Knees* and Warren G's *I Shot the Sheriff*. But she told guests on her Web site (lisa-boyle.com), "I'd love to be a photo editor for Playboy. I think I have a really good eye and it would be great job, just looking at beautiful women all day. Who wouldn't want that job?" Get in line, Lisa. *Mizuno*, 82, 83.

ALLEY BAGGETT What advice does this four-time Readers' Choice model (and last year's BOL Model of the Year) have for the principals in the Clinton scandal? The President: "Keep your pants zipped." Hillary: "Be strong." Chelsea: "Don't believe everything you read." Kenneth Starr: "It's over. Leave Bill alone." *Gen Nishino*, 84, 85, 86, 87, 88, 89.

LETTERS OF THE MONTH

I don't know how much of this letter I'll be able to complete, as my heart stopped beating when I reached pages 46 and 47 of the November/December BOL. My reaction to Shannon Malone was quite profound—and I am no stranger to beautiful women. She is so incredibly beautiful that all I can say is, Use me, lie to me, break my heart—please! Perhaps one day we'll meet and I'll have the chance to touch her the way her beauty has touched me. ... Adam

When I was 18 I was shy about buying nudie magazines—especially if a woman was at the counter. When I moved back home I hid my collection from my grandmother (she's a Christian), my brother (I didn't want him stealing any issues) and my girlfriend (I didn't want to get caught). Now that I'm 23 I don't care where I get my NSS so long as I get them—especially if I see Lynn Thomas on the cover. Everyone knows I collect them. I don't even ask for the brown paper sack. I just carry them straight out to my car and home. ...J.L.

I've purchased every NSS since the September/October '94 BOL. I'm currently living in Cairo, Egypt and unless there's a Playboy distributor here my perfect record will be broken. I dread to think that I must fast from the artistic and erotic bliss that your magazines and models bring to my life. A life without BOLs or other NSS looks about as appealing as a vow of celibacy. ...K.S.

Ed. We checked, and it looks as though a trip to Israel or Cyprus will be necessary to keep your NSS record unblemished.

All I can say is wow. You have truly outdone yourself. Tara King has a true knack for the camera. She is so eloquent and beautiful that she could do a whole NSS and people would still be begging for more. Keep her. She's not one to let go. ...C.C.
